Testimonials

Innovative, committed, and technically very very sound! Fabric ducting for a 30k+ sq.ft. plus property, and no complaints at all in over 2.5 years. Proper planning, excellent execution and prompt after-sales service.

Kailash Gor | Partner

Loved working with Manish Gandhi. He is very knowledgeable, resourceful, transparent, and amenable. Really appreciate his tenacity to execute the job in time.

When we think of air conditioners, we think of Arihant. We have been associated with them for 20 years, and really appreciate their work.

Dhriti Wadhvani | MD

The best part about Arihant is their strength in providing a proper solution for your comfort and need, and not just selling air conditioners. Their after-sales service is also commendable.

KONGSBERG

We have been successfully associated with Arihant for 15 years and are completely satisfied with their excellent services and ideas to enhance efficiency. No second thought in mind as to who should be our cooling partner for any new project.

Vinit Kumar | Administration & Compliance

Best team, best planning, and best service. We have zero complaints in the last 9 years!
